

Animal Communication *Made Easy*

Your step-by-step guide to forming a deeper connection with animals

- **Sunday, March 31**
- **1 PM to 5 PM**
- **ReikiSpace & Learning Place**

2793 Old Post Rd., Suite 10. Harrisburg, PA 17110

Do you love animals and wish you could understand what they are trying to tell you? Do some of their behaviors leave you baffled?

In this class, you will learn the essentials of animal communication so that *YOU* can communicate intuitively with the animals you love. Jacqui leads you through grounding exercises, and then her effective 5-step method to create a deep spiritual connection with your animal. Her unique blend of exercises, affirmations and meditations will empower you to connect with all beings.

Communicating with animals is fun, profound and healing. It's the best thing you can do for both yourself and your animals; and will transform how you experience life.

In this workshop, you:

- Practice exercises on how to relax and quiet the mind.
- Learn how to "listen" with the heart.
- Send and receive information telepathically
- Practice communicating with an animal
