Manifesting with Mirrors, Mandalas and Meditation

Do you have a desire to be your best self?

Discover the real expression of who you are! In this workshop you will gain insight and receive the tools to adopt a 21 day process for transformational growth and healing. You will learn the theory, logistics and history of these powerful M's: mirror exercises to identify your self love; mandalas to take you on a journey of self discovery; and meditation to bring you peace of mind. This M3 voyage will guide you through a self exploration of acceptance, love and abundance manifestation.

You will be lovingly guided to peel away layers and conditions so that your creative essence, the real expression of who you are, can reveal itself. This unique workshop is designed to be the spring board for an intimate journey that will forever change the way you see yourself, how you see others and ultimately how you see the world.

For your investment of \$89, you will receive a custom designed workbook to support your manifestation journey.
